Dear Robert

Just to give you a quick update we have had a great response to the project with some great organizations confirmed including **Ichino Brugnatelli e Associati, Haraguchi International Law Office, F. Castelo Branco& Associados and BCR Law**.

As you can see it's a great line up and I am now closing off the positions so we can start work on the design and page plans.

The deadline for the article isn't for another 2-3 weeks and we have some flexibility should you need it, however for planning purposes I need to know if you would like to be involved by tomorrow morning.

If it helps I can put in place a 10% discount lowering the cost to **£360** to help close things off.

If you could reply back with your decision that would be much appreciated.

Jake
