Dear news professionals,

May is the month to celebrate all things cycling, and the staff at Missoula In Motion at the City of Missoula have worked up creative ways to mark Bike Month safely during a pandemic. With the help of Missoula organizations and cyclists, they're putting on safety webinars, scavenger hunts, socially-distanced historical tours and more, all month.

Missoula In Motion is a program of the Transportation Division of Development Services at the City of Missoula. Its mission is to encourage sustainable transportation. Program Specialist Maragaret Hoyt is available to talk about the month's events with news reporters. See our attached news release for complete information and contact information.
