---

Hello,

Accross your business profile on your website, we are very interested to get connected as one of your reliable supplier.

I am Kevin, the manager from **Kayou Plastic Mould Manufactory**, **Which is professional and specializing in mould**

**manufacturing** and **plastic injection moulding**.

Kayou mould was founded in early 2002, located in Shenzhen City.

Factory with areas of more than 2000 square meters,more than 100 employees, All high quality imported machines to ensure

minimum tolerance. We carry on the very strict international standards to produce the best quality moulds and moulded plastic parts.

We have been enjoying very long time and very happy cooperation relationship with many big manufacturing enterprises, such as,

BMW, Hyundai, etc. We want to build more happy cooperation with more valued customers, and we believe you will be one of them.

If you have any project on mould or moulded part, please feel free to send us the enquiry,

and we promiss that your valued enquiry will get our biggest attention and the best quotation.

I will be appreciated for your kindly advice

Best regards

Kevin
Kayou Mould Manufacturer
