Dear Council Member Sherrilla:

I am writing to express concerns I have about the treatment of BIPOC in our community. I find it troubling that no one has been held accountable for the attack that occurred at the courthouse. And I don't understand why local government did not declare that guns were not allowed at the protests.

I am heartened to hear that the police are trying to find ways to put funds to more non-violent approaches. But we need to make Missoula a more equitable place. We need better social services, affordable housing, and programs to help those who are struggling. Lets put money towards services, build tiny houses for the homeless, pour money into education, affordable housing, Drug rehab, make sure our BIPOC community is being treated fairly and equitably.

Thank you for your time,
Sincerely,
Katie Maunz
