Everyone,

I've updated the committee schedule and the webinar to indicate that the Land Use and Planning committee will be scheduled for 2 1/2 hours on Wed. 9/9 from 9 a.m. until 11:30 a.m. We need to add the Remington Flats annexation, initial zoning, rezoning and subdivision to the agenda to stay with the statutory schedule for the project. LUP will be asked to suspend the rules to take up the item (2/3 vote of those present and voting is required) and then the committee is asked to consider the resolution of intention to annex and schedule the public hearing for the project. Thanks everyone.
