Subject:	Chip seal program begins next week

Dear news professionals,
The City of Missoula's Street Division staff will begin annual chip seal work next Monday, July 19.

Chip sealing is one of the thriftiest programs the Street Division carries out every year. Crews seal and chip about 100 blocks of city streets every summer. This seals the street surfaces, which protects the asphalt in the same way that painting a home protects it. Chip sealing delays reconstruction, reduces the number of potholes and saves dollars and disruption for Missoula's residents.

Brian Hensel, Deputy Public Works Director – Streets is available to talk about the program. See our attached news release for complete information and contact information.
