I will send a follow-up email when we have a better idea of who is able to come on which day. Our project manager, Sam Oliver, will be escorting people through the sites. Right now we're planning to start at Villagio, the project at Scott Street and Otis, but that my change. Please keep an eye out for further information!

Subject: Villagio and Trinity Tours!

Greetings! We would like to invite all of you to take a tour of our wonderful new housing developments while they are under construction. There are three dates to choose from, August 9th, 16th, and 23rd, all at 9:00 am. **Please choose only one date as we need to coordinate hard hats, viz and parking at the sites**. A head count for each day will help us do that. We are excited to show you these works in progress and hope that one of the dates will work for you. We estimate that visiting the three sites (two for Trinity, one for Villagio) will take about two hours, including travel time from site to site. If none of these times work for you, please let us know as we may be able to schedule something separately.
