Subject:	Villagio and Trinity Tours!
Date:	Monday, July 25, 2022 4:37:15 PM

Greetings! We would like to invite all of you to take a tour of our wonderful new housing developments while they are under construction. There are three dates to choose from, August 9th, 16th, and 23rd, all at 9:00 am. **Please choose only one date as we need to coordinate hard hats, viz and parking at the sites**. A head count for each day will help us do that. We are excited to show you these works in progress and hope that one of the dates will work for you. We estimate that visiting the three sites (two for Trinity, one for Villagio) will take about two hours, including travel time from site to site. If none of these times work for you, please let us know as we may be able to schedule something separately.
