Yes this is Steven Berg NBURGADI a bit no bad trend and I'm calling about this ridiculous tobacco band I know you are 14 on do adult people and mr well.

Hi and 75 years old I smoke a pipe every now and then on my porch with a bunch of friends of mine also veterans we like it's a small flavor cigars pipe tobacco and everything else -- if you wanna protect the children wanna just start with something a lot harsher than tobacco specially paperback word never saving an 18 year old walking around spoken up bye -- soul think about this and if you wanna protective joe's and like I said try something little hard are and leave you don't settle sons all low in this town quit trying to control everybody.

Thank you bye bye.
