Subject:	People waking up around the county y'all :) your Lack of actions and apathy have been noticed and will continue to be
Date:	Wednesday, October 28, 2020 1:49:59 PM

Hi all,

Sorry to have missed the meeting this week.

People are taking notice of the lack of performance of hypocritical city government officials around the county.

Don't feel as though you're being singled out.

I guess the people just question if You all are with them or against them?
