Hello,

The It Starts With Me Health screening flyer is attached and registration is now open!

A few reminders:

- Appointment times are available on a first-come, first-served basis; early registration is important
- Registration will close the day prior to the screening
- A separate account is required for each person registering
- To better protect attendees and staff during the COVID-19 pandemic, face coverings and registration are required
- Walk-ins will not be allowed

Thank you,
