Dear Council,

Good day!

Glad to hear that you're in the market for helmets products, we specialize in this field for several years with good quality and pretty competitive price.

Our helmets are sold well in China, the United States, Europe, Australia, Japan Canada and so on countries and markets.

We has established a professional team which was composed of technology development, production, quality,controlling and sales.

Fashion design, many colors design(we can make any color what you want), stylish atmosphere, lightweight design. In-mold PC shell with EPS liner and the ventilation is N+1 Vents .

If you're interested in this , pls conect me any time , let's talk more.

Best Regards
Ice Zhang
