Hi Lisa – in thinking about it I would like council members to have a copy of our new Marketing Plan for their review. I won't be going over it in the Q & A but it might be good context for them. Here is a link.

Thank you for the info. If you could plan on being there around 1:00 or shortly before, that would be great. You will be getting an invitation with the link to join the meeting. I will set aside 15 minutes for you for Q&A. Please feel free to reach out to me if you have any questions or anything you would like uploaded to the website regarding information you will be sharing.

Lisa – I offered to do a presentation and was told that they didn't want one this year, that I would just be there to answer any questions they may have. Could you let me know what time you want me there?

Good Morning, Barb:
I wanted to reach out to you to see if you have a presentation you will be sharing at the BCOW meeting tomorrow or will you be attending just for questions City Council may pose? I'm just working at getting everyone on the schedule. Thank you!
Lisa
