

# PROCLAMATION

**WHEREAS**, Missoula's first ever Community Greenhouse Gas Emissions Inventory identified the transportation sector as the number one emitter of greenhouse gases, contributing 37% of Missoula's total emissions, or 333,986 metric tons per year; and

**WHEREAS**, the City of Missoula is committed to reducing drive alone commutes from 70.5% of all commute trips to only 34% by 2045 as stated in the 2016 Long Range Transportation Plan. To achieve this aggressive mode split goal, the number of commuters biking, walking and taking transit needs to increase threefold; and

**WHEREAS**, Missoula In Motion is charged with the mission of increasing the use of sustainable transportation by educating and encouraging individuals to consider sustainable transportation options; and

**WHEREAS**, when Missoulians choose to travel using sustainable transportation modes, they reduce our collective carbon footprint, relieve congestion, save money, preserve our clean air and improve individual and community health.

**NOW THEREFORE**, I, John Engen, Mayor of the City of Missoula, in the State of Montana, hereby recognize the 20<sup>th</sup> day of September, 2017 as;

## ONE LESS CAR DAY

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the great seal of the City of Missoula, in the State of Montana, to be affixed at Missoula, Montana, this 18<sup>th</sup> day of September, in the year two thousand seventeen.

A handwritten signature in black ink, appearing to read "John Engen".
