Dear news professionals,

The City of Missoula and the Poverello Center have worked the past few days to address the problems caused by an encampment of people around the Poverello Center on Cedar Street. The work was successful, and many of the campers have found safer locations with the help of City and Poverello Center staff.

See our attached news release for complete information and interview contacts. Attached also is a Health Department memo asking City and Poverello leadership to address the issues.
