Subject:	Who lied, Walsh or Engen?

---

1. Msla PD public info officer Walsh, prior to the white armed vigilante attack on a black teenager: "We are watching these armed people at the protests closely."

2. Mayor Engen, same time frame:

A. "We don't want our police involved there in the middle of that."

B. "I am in close coordination with Chief White and Sheriff McDermott and we have an ops plan."

C. Obviously, both 1 and 2A cannot be true.

D. By virtue of C, neither can 2B be true; if they were "in close coordination," then they would not have made contradictory statements as to whether MPD was watching the gunmen.

Who lied re 1 vs. 2A, and who told the truth? Mayor Engen, or MPD PIO Walsh?

Any moderately experienced trial lawyer could nail this down as if, as was said in "The Cain Mutiny," "shooting fish in a barrel."

WHO TOLD THE TRUTH, AND WHO LIED? WE DESERVE TO KNOW. CITY COUNCIL, DO YOUR JOB AND FIND OUT.
