Date: Friday, July 17, 2020 7:45:55 AM

Good Morning

I am reaching out to ask for your help. Pleasant View Homes is located West of Reserve Street and North of Mullan Road. There is property that is privately owned that is over grown with with 24 inch purple thistles that is no longer being used for agricultural purposes. I believe part of the property is in the City and Part is in the county.

It has become a fire hazard and health hazard to property owners in our subdivision. Something needs to be done. We need you help! Drive out Flynn Lane and turn left on Camden to view this issue.

Thank you so much!

Claudia Hall President of Pleasant View Homes
