To whom it may concern,

I am seeking information regarding matters involving Carlyle Group/mountain water And the city of Missoula. Both ongoing and closed. I Would like to request a list of any associated vendors, experts, appraisers and or legal representatives related to these matters as well.

I would like to request the register of actions regarding these matters, which is a list of all documents filed and fees regarding matters involving Carlyle Group/mountain water And the city of Missoula and or any associated vendors/parties known to the city. If Documents related to these matters are sealed please note that on the ROA sheets or accompanied documents. Please also note the reason for these document being sealed.

If there is a list of associated vendors that the city has paid funds to I'd like to request that as well. I am attaching the Missoula city treasury department Incase this request is outside the scope of the clerk of court. I have used the address: recording@missoulacounty.us .

If this isn't the appropriate address for inquires from the treasury then please forward to the appropriate address.

If the treasury department or city council has a list of payments approved by Missoula City Coucil Regarding this matter I'd like to request that info as well.

An example of a vendor related in this matter would be Boone Karlberg P.C. I would like a complete list of payments to this and all other vendors by the city of Missoula and or any related city/county departments or entities in these matters. Please include dates and descriptions of invoices received from related vendors if possible too.

I'm attaching city coucil to this chain as well Incase it makes anyone's life easier.

If I must fill out any physical or electronic forms I'm happy to do it. Please reply with attached forms and or links to the required documents I must fill out.

I have left a phone number where I may be reached under my signature.

Thank you all for your help!

Best Regards,
