Subject:	Cutting funding for police
Date:	Sunday, September 27, 2020 8:51:24 AM

Just wanted to say that we are very concerned with the majority of the city council members voting to cut funding for police. When the time we live in should be increasing funding, you are cutting it!
We do NOT want to follow in California's and Oregon's footsteps, but want a safe place to live! We do not want lawlessness here...ever!
Please keep our police funded! I know I speak for a lot of people here!
Thank you!
David Lloyd
