Dear Missoula City Council

I want to start by saying how wonderful all the trails in the City of Missoula are kept up, in abundance and used greatly.

Having been in other cities across the country who advertise their "running" trails, they are all pale in comparison to Missoula's trails.

That being said, we could use more trails. Please consider purchasing the high wide handsome mt dean corridor

I am a runner / hiker and I use Missoula public trails a bunch.

I am always looking for new trails.

Again, Missoula has the best trails I have seen in my travels.

Thank you Missoula City Council and thank you Missoula.

Teresa Gabriel
