Dear City Council,

I'm writing to express my support for the City's continued support and acquisition of Open Space Lands, as well as trails on our Open Space Lands. The City should move forward with acquiring the "High, Wide and Handsome" space on Mount Dean Stone. The benefits of Open Space lands and trails, and ready access to them, are immeasurable — not only for us as residents of Missoula, but for the environment and our local economy too. Please continue to support Open Space Lands and move forward with acquiring the "High, Wide and Handsome" trail corridor. Thank you!
