To whom this concerns,

As a Missoula resident and avid runner, I fully support having more trails on city land. I hope you will seriously consider city ownership of High, Wide, and Handsome corridor of Mount Dean Stone. It means more trail options for Missoulians. I already take weekly advantage of these trails and these trails so close to town are really what sets Missoula apart from other places I've lived!!

Thank you for considering this opportunity.

All the best,
Nikea Ulrich
