I am 100% against the ban. All it will accomplish is driving business away from Missoula merchants. People will simply go to Frenchtown, Bonner or Arlee for their flavored tobacco and while there they will buy food, gas and beer depriving Missoula merchants of even more sales. It's pretty simple, if you vote yes on the ban I vote for whomever runs against you in the next election.

P.S. I am a registered voter and will use my vote for a candidate that does not want to control every aspect of our lives.
