Subject: Open space near High Park
To: jramos@ci.missoula.mt.us <jramos@ci.missoula.mt.us>

Dear Mr. Ramos: We are long-time residents at 511 Simons Drive. We have recently learned that the city is considering the sale (for future development) of the 3-acre open space immediately north of the underground water-storage tank above Simons Drive (near High Park). We sincerely hope that is not the case; and if further discussion will take place on that proposal, we would like to register our strong opposition to the sale of that property.

If you would care to discuss our opposition, we would gladly visit with you at your convenience. Thank you for your consideration.

Sincerely,

Ken and Carol Gibson

511 Simons Drive
