Subject:	Re: Minneapolis police are changing body worn camera policy to prevent officers from turning off recordings when an event is in progress - CNN
Date:	Tuesday, February 2, 2021 7:34:35 AM

Also:

Sorry for the increased errors in my spelling/writing... since I was hit by a car December 18 2020, the insurance will not cover it damage to my phone and because the city attorneys and MPD have botched the processing/issuing of the single ‘failure to yield” ticket this may be an ongoing issue..

Sorry to bug you in your ivory towers...

Regards,
-Matts Larson
