## MUMFORD CONCERT LOGISTICS SET

### City, Logjam work together for safe, smooth event

The sold-out Mumford & Sons concert at Ogren Park at Allegiance Field the evening of Aug. 11 will draw thousands of fans to Missoula's civic stadium. The City of Missoula and concert promoter Logjam Presents have worked together to plan for public safety and transportation during the concert weekend.

Here's the schedule of what's open and closed when:

- The Ogren Park/Silver Park parking lots will be closed Saturday and Sunday, Aug. 10 and 11, to accommodate the bands' large vehicles.
- The Silver Park boat ramp will not be accessible to other vehicles from 11 p.m. Friday until 7 a.m. Monday, so the ramp will not be usable by floaters needing to pick up rafts. The ramp will remain open for floaters who will get out of and into the river on foot.
- Wyoming Street from California Street to Orange Street and Hickory Street from 1<sup>st</sup> Street to Cregg Lane will be closed on Sunday, Aug. 11, to allow foot traffic to and from the concert.
- McCormick Park and Currents Aquatics Center will be open. Aug. 11 vehicle access to McCormick Park will be via Orange Street and Cregg Lane only, and vehicles headed to these destinations will be allowed to pass.
- Silver Park users may access the park on foot or by bicycle via the Riverfront Trail.
- The Riverfront Trail adjacent to Ogren Park and Silver Park will be open.

Logjam Presents contracted with the City of Missoula last year to promote concerts at Ogren

Park at Allegiance Field. Each concert will be unique in its required traffic configurations and accommodations for performers, and City and Logjam staff members will work together concert by concert to ensure public enjoyment, financial support of the civic stadium and the least possible impact on the non-concert-going public.

Concert goers are encouraged to visit the Mumford & Sons event page at [logjampresents.com](https://logjampresents.com) (direct link: <https://logjampresents.com/event/mumford-sons-29081/>) to learn more about the entry process, prohibited items and best practices prior to their arrival at the event. In addition, Logjam Presents will have an information desk open from 11 a.m. – 5 p.m. at the Top Hat in downtown Missoula on Sunday, Aug. 11.
