

Riverfront Neighborhood Council
Stadium Task Force Minutes
August 19th, 2019

The meeting of August 19, 2019, was called to order by Chairman Jon Van Dyke at 6:05 pm at the Dog & Bicycle Café, 875 Wyoming Street. Jennifer Anthony and Sherry McLauchlan were present, as well as a number of members of the Riverfront Leadership Team (Ed Nolder, Christine Littig, Jim Whitney, Jean Keiley, and Ramona Flightner). Dan Torti and Ryan Torres represented Logjam, Jane Kelly represented the City of Missoula Office of Neighborhoods, and Jeri Whitney also attended. The minutes of the meeting of July 8, 2019 were approved as posted.

Jon reported the letter to the Mayor and Director of the MRA concerning the limit on number of Logjam events had not yet been drafted, and he will work on that with Don Schreifer.

Jon will plan to meet with Matt Ellis to relay neighborhood concerns about noise levels from Ogren Field after the crisis concerning the condition of the playing field is resolved.

Logjam discussed the Mumford concert from their perspective and comments they had received so far. Jon indicated only two emails had been received at the website that was set up for the event, both information requests prior to the event taking place. Several members present shared their experiences and made specific suggestions. In general, the response was positive.

The next regular meeting will take place on October 7th.

The meeting was adjourned at 7:00 p.m.
