Date: Wednesday, March 24, 2021 3:40:30 PM

Dear Council members and managers,

Great news today! We will open COVID-19 vaccination appointments to all Missoula County residents 16 and older on Sunday, March 28, a few days ahead of the governor's order. Health Officer Ellen Leahy made this decision in view of the slowing down of registrations for appointments among people who already qualify and the great demand from people who have not yet qualified in previous tiers.

Appointments open to all for the public clinic at the former Lucky's Market in Southgate Mall on Sunday are available right now on our website at covid19.missoula.co or by calling 258-INFO (4636).

Happy to answer questions if needed.
