CITY OF MISSOULA PUBLIC SERVICE ANNOUNCEMENT
For Immediate Release: October 4, 2021

Traffic Signal at E. Broadway & Madison St. to Shut Off for Two Hours Wednesday Morning

The City's Signals, Streetlights & Communications Shop will need to shut off the traffic signal at the intersection of E. Broadway and Madison St. on Wednesday, October 6, from 6 a.m. to about 8 a.m. to repair a damaged controller cabinet. Traffic control, including flaggers, will be in place, but we suggest that drivers and bicyclists plan an alternate route for their morning commute.

The traffic signal will be returned to normal service once the equipment installation and testing are completed.

Please contact me if you have any questions.
