Mr. Best,

Thank you for contacting us about the proposed City Council rules amendments. My understanding is that the proposed rules are now attached to the agenda for tomorrow's Administration and Finance meeting and available for review.

The proposed timeline for adopting the new rules to seek comment from the current City Council before the end of the term on January 3rd. After the new Council members are sworn in to office in January, the proposed rules changes will come back to the Administration and Finance Committee, likely on January 5, 2022, so there will be ongoing opportunities to provide feedback on the rules.

Thanks for your continued interest.

Kind regards,

Jordan

Subject: Proposed amendments to the City Council Rules

Hello,

I will not be able to join the Zoom meeting of the Administration & Finance committee on Wednesday morning but I notice that amendments to the City Council Rules are to be considered.

The agenda for the meeting available on the City's website does not include a copy of the proposed amendments or any obvious way to view a copy.

It would be helpful for members of the general public to have the opportunity to look at the proposed amendments before the meeting.

Thank you!

Ross Best
