City Council members,
We are in the process of adding links to the referral regarding the Resolution to Order right-of-way improvements project 20-063 Eaton St. Ph. I which will be presented to PWC next Wednesday January 19th.

The link will send you to Admin Rule #410 and Admin Rule #418 on the City Website.

These Admin Rules provide background information on Special Improvement Assessment Program procedures and property owner funding assistance for Council ordered assessment projects.
