Hello,

I am writing out of general curiosity regarding the development of the Riverfront Triangle. Phase 1 of the development of 1 parcel contains the removal of several buildings such as the old parking garage and clinic. I read in November of 2021 that this process would start in a few months. I'm just looking for an update as I haven't seen much movement in that area. I'm excited to see what's to come!

Thank you,

Eric Delphy
