Subject: Request from Palmerston North Information Centre New Zealand

Greeting to the City Council of Missoula USA,

I wonder if you are able to help. I understand that on the 26th November we the people of your Sister City Palmerston North are celebrating Missoula Day. This initiative brought to us by Palmy Bid and the Mayor Mr Grant Smith.

I have been advised that an event is to take place directly in front of the Palmerston North I-SITE (Information Centre) which I manage on behalf of the Palmerston North City Council.

Since being advised of the event last Friday I have been thinking what I can do to the front of the building and also inside to celebrate the union of our two cities.

I was wondering (if not to late) if you have any banners or merchandise we can use to lift the profile of the building as we celebrate the day. Anything that promotes the City of Missoula and the USA.

Personally I have a deep fondness of the USA and have many family members living there. My own daughter has just spend 3years with her husband and daughter in Portland Oregon and part of me wishes she didn't have to return as they all gained so much from being there.

Anyway I think you have an idea if what I am trying to do and you will have all my support with whatever you can provide.

If you have any questions please don't hesitate to make contact with me and I will reply with urgency.

Thank you for your time today.

Warmest Regards

Mark

Mark James
