A front page article in the Tuesday, December 6 Missoulian describes the mission and resources of the Headwaters Foundation. I think that Headwaters could be asked for money help with the Crisis Services in question after the recent levy vote. thanks, tom cook, harrison st., missoula

Dear news professionals,

The City of Missoula will launch its Our Missoula: Growth Policy Update and Code Reform Project with an informative public event on Tuesday, Dec. 13, at the Missoula County Fairgrounds. The event's co-host is the City's community partner Common Good Missoula. The event will provide a context for the role of zoning and development code and the importance of modernizing and streamlining toward an appropriate set of rules that reflects community values.

We welcome advance coverage of the launch of this long and complex project. News reporters are also welcome to attend and cover the event. See our news release for more details and contacts for interviews.

Council colleagues,

Antisemitic flyers were recently found at two local gas stations—one in the city and one outside the city limits. I've attached these flyers for your information. The flyers were posted on a gas pump in one instance and in a gas station restroom in another instance. It is not known who posted these flyers.

I'm saddened and disgusted by this hate speech and wanted to let you all know that this has been forwarded to both Police and the City Attorney's office for their awareness.

A Missoulian reporter made me aware of these flyers and will be reporting about them to the community. I wanted you all to be aware of this in advance of a media story. I'll let you know as anything else develops.

Thanks,  
Jordan
