

## NEWS ADVISORY

May 21, 2012

For immediate release

---

### **Detour Set for Russell/Knowles Street Intersection**

The intersection of Russell Street and Knowles Street will be closed Tuesday, May 22, to allow refurbishing of the railway bed at the railroad crossing.

Northbound and southbound traffic will be detoured around the intersection beginning at 9 a.m. Northbound traffic will detour at Longstaff Street to Knowles and back to Russell Street. Southbound traffic will detour at 11<sup>th</sup> Street to Garfield Street and Garfield to 14<sup>th</sup> Street, then back to Russell Street on 14<sup>th</sup>.

Montana Rail Link is doing the rail bed work, and the City of Missoula Street Maintenance Division is handling traffic control and asphalt patching around the work area.

Questions? Call Brian Hensel, Street Maintenance Superintendent, at 552-6361.
