Approval of DRAFT minutes of June 13, 2013
Minutes were approved as submitted.

Update on Open Space Program Manager Recruitment – Donna Gaukler

Due to the re-location by Jackie Corday to Colorado, the department has undergone a complex recruitment process to replace this position. There were 91 applications, with 9 candidates interviewed in the first round and 5 were interviewed in round two. All are very good and look forward to offering the position to one of the top three.

Update on FVLT project –

FVLT staff gave brief overview of some of the current projects and possibilities for new projects.

Public Comment – none

The board will decide on if and where to hold a December meeting.

Meeting adjourned at 5:00pm.
