

## **I. Family Cremation Section.**

1. This section allows for up to four (4) cremations.
2. Two (2) cremations will be placed to the east of the monument and two (2) cremations will be placed to the west of the monument.
3. A solid foundation strip is installed by Missoula City Cemetery.
4. A standard monument is required to be placed on the foundation strip. The standard monument must:
  - a. Be a "Tablet" style monument with maximum height no higher than 32 inches.
  - b. Sit upon a hearth 48 inches long with a maximum width no wider than 15 inches.
  - c. Inscriptions must be placed on the front and back of the monument and match the grave assignments.
5. Interments or memorials must be assigned at time of purchase and will be placed on file in the Missoula City Cemetery office.
6. Vases installed on the hearth are the only flower option available.
