Who Are We?

Partners In Parks are Missoula residents, businesses, organizations who support the work of the Missoula Parks and Recreation Department.

Together, we invest in our future by supporting Missoula's kids, enhancing our quality of life, and developing the parks, trails and open space that make Missoula a desirable place to live and do business.

Partners In Parks supports the efforts of the Parks and Recreation department by providing recreation grants for low-income families, assisting the department in building new parks and trails and enhancing existing facilities, and volunteering our time to help with Parks and Recreation projects and recreation programs.

Volunteer All-Stars

Montana Skate Park Association led by Chris Bacon is a strong volunteer ally to Missoula's Mobash Skate Park. They support the park by hosting clean-up days throughout the busy summer season, and promote positive skate park etiquette.

The veterans' group XSports4Vets volunteered 93 veterans between the ages of 19 and 45 for a massive Clark Fork Riverbank clean up the past September. They removed over 2500 pounds of trash from the river corridor and had a great time socializing and serving their community.

Volunteer Today!

Missoula Parks and Recreation welcomes volunteers of all ages and abilities. Help us host a special event, care for parks, trails and the urban forest, or even adopt a park! Contact Tyler Decker at 552-6571 or tdecker@ci.missoula.mt.us. Our current projects are listed at volunteermissoula.org. Trees For Missoula is our volunteer advocacy group for Missoula's urban forest. Learn more at treesformissoula.org.
