

[Missoula Municipal Code Chapter 12.44](#) outlines rules and regulations governing Missoula City Cemetery. In addition, Missoula City Cemetery Board of Trustees has approved the following policies and process:

- Pre-verification allows the cemetery to assess ground conditions that may interfere with placing a monument.
- Pre-verification is valid for 60 calendar days.

Cemetery maintains open communication with both the family contact and/or business throughout the monument process.

Requests that deviate from standard cemetery rules and regulations need to submit an [Application for Variance](#).

Monuments are set year-round weather permitting.

MISSOULA CITY CEMETERY PRE-VERIFICATION

12.44.170 B. Pre-Verification. Monument requests require a pre-verification process. Grave location is verified for stones, trees, or shrubs that might hinder placement of a new monument or replacement of an existing monument. Decedent information is verified with Missoula City Cemetery records, grave ownership, and interment assignments.

Submit completed form by email to: cemetery@ci.missoula.mt.us or deliver to cemetery.
