Project Rating	Department		No	Yes		
Efficiency	Administration	Is the project APPROVED for Fiscal Year 2020?			FUNDED?	

**Summary Description and rationale of project and funding sources:**

The project is intended to provide security to staff as well as improve efficiencies and services to the public. The redesign of the reception area will include easier means to communicate and assist the public.  
Add and additional facility to supply showers and locker room for the Police Officers.

**History & Current Status: Impact if Cancelled or Delayed**

Staff concerns about safety at work and the current reception design. The current design is also inefficient and makes it difficult to assist the public in an efficient, safe manner.
