

Adult Sports

Get your friends and family together this fall to participate in one of our evening adult sport leagues. Play the sports you love while enjoying and promoting healthy lifestyles with your pals! League details and more info at www.missoulaparks.org.

Parks & Recreation Sports Philosophy

We're dedicated to quality recreation experiences for players of all skill levels while facilitating a safe and fun environment and promoting good sportsmanship. We provide these services with an underlying belief that our sports leagues focus on a healthy level of competition, placing more emphasis on participation than winning and losing.

Captain's Meetings

Captain meetings are MANDATORY unless otherwise noted. If team captain cannot make the meeting, a team representative must attend.

Register Your Team

Registration forms are available at Currents, at IMLeagues.com/missoula or register online at missoulaparks.org/register. Bring registration form and fee to Currents in McCormick Park. Registration must be received on or before the deadline. League space is limited; team registration is accepted on a first-come, first-served basis. Days/times are subject to change. Leagues may be combined and/or play on different days. Interested in playing sports but don't have a team? Register on IMLeagues as a free agent.

Team Sportsmanship Rating

Teams will be rated on sportsmanship behavior every game. Ratings are entered and calculated on IMLeagues. To be eligible for season tournaments, teams must maintain a 3.5 or better sportsmanship rating.
