

WEEKLY ROAD REPORT

The following is the Weekly Road Report for the week of September 24, 2017

Street and/or Lane Closures

1. **Eaton Street – Strand to Kensington:** Full closure of Eaton Street each day from 6 AM to 5 PM, Monday through Friday. Detour onto Schilling Street.
2. **North Pattee Street – Front Street to Main Street:** Northbound lane of Pattee Street is closed from Main Street to the alley.
3. **North Pattee Street – Main Street to Broadway Street:** Southbound lane of Pattee Street will be closed due to construction of the new Mercantile building and the placing of utilities underground.
4. **Woody Street – Broadway Street to Main Street:** Full Closure of **Woody Street** from Broadway Street to the alley with vehicle exit provided for the east side parking lot.
5. **Kiwanis Street** east of **Clay Street** may be reduced to one lane for a sewer connection.
6. **Broadway Street – Woody Street to Orange Street:** Work is continuing on construction of the Stockman's Bank on this block. Both lanes of Woody and the parking lane on Broadway and all adjacent sidewalks will be closed for the duration of this project which should be finished late this year.
7. **East Front Street - Clay Street to Adams Street:** Front Street will be reduced to one lane for construction of the new Student Housing Project at the corner of Clay and East Front. This project also includes the closure all adjacent sidewalks and possible traffic delays for heavy truck traffic on Clay and Kiwanis Streets.
8. **East Front Street – Higgins Avenue to Pattee Street:** Front Street will be reduced to one lane and sidewalks will be closed for deconstruction activities at the Old Mercantile Building. This work should take approximately 2 years.
9. **Mary Avenue – Reserve Street to Railroad Tracks:** Construction of new curbs and sidewalks has started and will continue for several months. Look for road closures and detours.

- 10. The Area Bound by 6th/Stephens Avenue/ Brooks and Crosby Streets:** A curb and sidewalk upgrade project is in progress. Look for intermittent road closures and shoulder work.
- 11. Benton, Dearborn, and Fairview Avenues – between Eaton and Clark Streets and Clark Street between Fairview and Mary Avenues:** A curb and sidewalk upgrade project has started in this area, look for road closures and detours.

Park & Trail Closures

- 12. Bitterroot Trail:** Safety upgrades are under construction at **South 6th Street West** and **South 5th Street West**. A detour of the Bitterroot Trail occurs between South 6th Street West and South 4th Street West. Detour is onto California Street for four (4) blocks total. Construction continues at these intersections through approximately October 13th.

Expect brief intermittent delays and short detours on the Bitterroot Trail from North Street to Third Street through early November as this project proceeds to construct safety crossings at South 14th Street West, Knowles Street West, South 4th Street West and South 3rd Street West.

- 13. Bitterroot Trail:** Trail closed from **Havre Avenue** to **Benton Avenue** for trail and roadway improvements related to construction at Mary Avenue. Closure is expected through September 29th.

Detour maps to be posted on-site and at www.missoulaparks.org. Call 552-6252 for more information or email parksrec@ci.missoula.mt.us.
