## Minutes for August 26, 2020

Minutes were approved as submitted.

## Leadership Team Term Discussion

Clare Wood expressed her term expired in August. The Office of Neighborhoods requests all members whose terms are expired or going to expire to keep serving. Due to COVID-19 in person General Meetings are not allowed at this time. The possibility of a General Zoom meeting maybe an option in the near future. Clare accepted to continue to keep serving.

## Gateway Discussion

There was discussion about cleaning up the Gateway. The garden is not in very good shape and the neighborhood will need funding to clean it up and spray the weeds in the maze. There was discussion to apply for a grant or ask the Parks & Rec. to fix the landscaping. The team agreed to have the next meeting a work meeting at the Gateway on October 28, and to put up sandwich boards asking for volunteers to help with the cleanup project.

## Office Of Neighborhoods Report

Kelly said there will be a survey coming out to the neighborhoods in November or December and the results will provide a wide variety of information. The results will be available this spring and will be shared with all the neighborhoods. The demographics will give additional information on changes to the neighborhoods.

There are three traffic circles that are not adopted. We will be working to find volunteers to manage them.

## Next Meeting

October 28, 2020 clean up at the Gateway.
