Event Summary:

This event serves as the Annual General Neighborhood Council meeting to provide an opportunity for neighbors to gather, build community, and learn about how they can get involved in addressing opportunities and concerns at the neighborhood/city level.

Key Objectives:

- Provide time for socializing
- Make attendees aware of the role of the NLT and how to get involved
- Identify important issues residents would like to discuss with their neighbors and city/agency officials
- Engage folks in working with one another collectively understanding that we are all vols

Event Outline:

- Food / Socializing
- Announcements from LT and City Officials about NW/WS neighborhood topics and issues.
- Updates from NMCDC about community survey and role in community.
- Table discussions about neighborhood issues
- No public comment provided at general meeting to document

Approximate attendance of meeting was 80-100 residents:

Numbers can be confirmed later with sign in sheets.
