 - i. The Land Use Plan is available to view online now, Code reform is up next in this process. The group is able to write a letter or give a recommendation.
 - ii. *Naomi- There is a lot of density in our NH, how can we ensure this is equitable?*
 1. City can't dictate what developments go where. But can dictate the land use place types.
 - iii. Kalina will look into getting someone from Code Reform to a future meeting.
 - c. *Naomi- The Downtown SAM project might help with the safety downtown given the increased population (hotels, development, etc)*
 - d. The old locomotive by the xxxx needs work. A group of individuals looks like they are working towards this project. Friends of the Missoula 1356.

Missoula Neighborhoods

- e. The old library has no plan right now.
 - i. Tom- What is happening with all the city owned land where there is nothing going on there?
 - ii. Kalina- MRA usually has planning processes for these places.
 - iii. Tom- What can we do for this? Should we be only advocating for Heart of Missoula?
 - iv. Kalina- You should absolutely be advocating for Heart of Missoula's interests. For instance, River Road is always advocating for infrastructure because they lack it.
- f. Tom- A group of Businesses on Front Street want to have a neighborhood party.
 - i. Dram shop is spearheading this- Although Missoula Neighborhoods cannot be an official planning partner because of the alcohol aspect, we may be able to have a table to engage with neighbors.
- g. General Meeting Planning
 - i. General meeting is an annual meeting (some neighborhoods do 2). Main purpose is to connect with neighbors and get the happenings out on what is going on in the NH.
 - 1. *Naomi- It would be great to have it be a large party celebration for our Neighbors.*
 - 2. Could be a tabling event or presentation based.
 - 3. Some NH have had table talks, just trying to get feedback from residents about what they care about.
 - ii. Official business to happen at these kinds of meetings- Vote members onto the Leadership Team, Vote on bylaw updates.
