  - a. Neighborhood Action Plan Guide Status
    - i. Lee has resigned from the Miller Creek leadership team and is no longer heading this project.
    - ii. The team would like to brainstorm more action plan ideas based on the Survey data received and proceed. One idea is to put together a list of trails in the neighborhood and open space areas. Identify all the parks (City vs. County). Another idea is to find a way the team can better be in information conduit to the neighborhood. Alex volunteered to go through the survey data and come back to the team with it condensed.
  - b. Community Forum Representative
    - i. Need a new community forum representative since Lee the old rep has left the team. Will check in with the team at the next meeting when there is a quorum.
  - c. Lower Miller Creek CIP Project
    - i. Alex has been talking with Kevin Slovarp a City Engineer with Public Works and Mobility regarding this. The city is not quite at the stage ready for the team to help hold a meeting. There are public meetings to come however and would love the team to help encourage neighbors to attend those events. The team would like to use the email list to relay this information when the meetings are announced. Kevin and Bob C will keep Alex in the loop about when these meetings are to take place.
5. Community Forum Report
  - a. Lee attended the last community forum and sent the team an update.
