7. Jeani attended the Upper Rattlesnake Transportation Committee Meeting in May reporting one of the topics was concern about safe travel for bikers and walkers along Duncan Drive. Kathy Heffernan reported that the owners of the horse farm

property on the right side of Duncan just past the PEAS Farm will donate an easement for a biker/walker path along their property. Kathy also spoke with Kevin Slovarp, Office of Engineering, regarding pedestrian safety crossing Duncan Drive at the North Hills Trailhead. Kevin facilitated having signs put up indicating it was a pedestrian crossing. Jeani said Bob Giordano is going to meet with Ben Weiss, Bicycle/Pedestrian Program Manager, to discuss what citizens can do to facilitate safer bike and pedestrian commuting. Bob is also looking into alternatives to pavement in Greenough Park to make the path safer and to use more environmentally friendly materials.
