iii. Tracy can help our leadership team apply for the Residential and Community Green Stormwater Infrastructure Grants ([westernmtwaters.com](http://westernmtwaters.com))

-grant funds up to \$50k

-requires a 25% non-federal match (Stormwater already paid \$6-8k for the plans, which counts as a match and an Energize Your Neighborhood grant could be used toward the match too).

- Grant applications being accepted through November. Tracy recommends submitting this month if leadership wants to try.

- Other possibilities include Conservation Grants, DNRC grants, Watershed grants

-Tracy will contact IMEG tomorrow to make sure the surface improvements they have planned will still allow us to retrofit a rain garden. Melissa will share the response with the Leadership Team.
