1. All were welcomed.

2. The May 15, 2019 meeting minutes were approved as posted.

3. Discuss current Action Items:

Phase 1 - Birding area: Planting moved to the Fall - Dates to be announced

Improved Trails Project completed – John Conner asked the question - What would it take to keep the trails ADA? Morgan Valliant will be contacted to see what needs to be done for yearly maintenance of the trails.

- United Way Clean Up day June 21 from 9am – noon – Colleen Biehl announced there will be a breakfast at Bonner Park at 8am for the volunteers. Please bring your own gloves and any tools. There will not be a parks dept. employee at the park. Morgan will drop off work gloves at Dave Westfall's home. We will need to take organic waste to the city compost.

What needs to be done?

Iris plant pulling: Naomi will direct this group of people

Garbage Pickup: Grocery bags will be provided to pick up all around the park.

Weeding: Colleen will direct this group of people

- Large Kiosk update –Colleen and Randy will install the new Poly Carbonate in the frames and place them back into the kiosk this weekend. The Ploy Carbonate has been purchased.

Dogs off Leash- Colleen reported that the sign with the goose family will be printed to be placed in the kiosk. Thank you, Naomi for designing this. A thank you to Jane for printing the signs. Colleen to pick up.

- Phase 2 - Outdoor classroom – Morgan Valliant has visited with Bob Hayes of Missoula's Storm Drainage Management Division concerning the outdoor classroom. This division wants to invest in community education and is interested in what we envision at the park. Late summer or early Fall for the meeting.
