

## Lower Rattlesnake Neighborhood Council Leadership Team Minutes

Thursday, March 31, 2022

5:00 – 6:00 pm

---

1. Introductions and Roll Call: Kelly Elam, Kalina Wickham, Peter Lesica, Danny Tenenbaum, Robert Schultz, Paul Hendricks, Kathy Tonnessen

2. Approve meeting minutes for April 6, 2021, so moved and approved

3. General Meeting Planning: there is support for an early April newsletter and a September General Meeting, possibly at the Greenough shelter. Peter Lesica will call MCPS to see if we could use the Prescott school as a meeting venue, since the MIS is now gone.

4. April 30, 2022 Clean up: notice of the Clean Up will be in the newsletter. Robert Schultz will get the materials (bags, dumpster) from the city. Peter Lesica will scout some of the areas to look for places that need cleaning

5. Leadership Team membership: we could use another 2 members of the LRLT. Consensus is that we need to involve younger people and maybe renters. This “call” can be included in the April newsletter.

6. Newsletter: Assignments for articles due to Peter Lesica by Friday, April 8<sup>th</sup> are: Missoula Compost? *Kalina*; Rattlesnake Watershed Group including bears: *Beth Judy, Paul*; Train horns: *Robert*; Prescott: *Peter*; Neighborhood Cleanup: *Kalina, Peter*; Greenough subdivision: *Kathy*; Rattlesnake Transportation Plan: *Bob Giordano*; Solicit members: *Peter*; Greenough Park: *Danny*.

7. There was discussion of the public notice for the proposed variances for the “Greenough Heights” subdivision (proposed 20 new houses just off Greenough, adjacent to the park). There will be a City Council meeting to discuss on Monday, April 4, 2022. There was some public notice of the development in May 2021, but the invitation to LRLT was not received. Comments can be provided on “Engage Missoula”. There is a question on how to engage the neighborhood/LRLT on future neighborhood developments.

## 8. Community Forum Report – No meeting for March
